

Business Assistance:

“New” Florida Venture Capital: Florida Opportunity Fund (Enterprise Florida)

Consists of two programs: Fund of Funds Program with **\$29.5 million** and the Clean Energy Investment Program with **\$36 million**.

Contact: Enterprise Florida

Phone: 407.956.5607

Email: jrobinson@eflorida.com

Web site: www.floridaopportunityfund.com

Description: The Fund of Funds program provides investments in seed and early-stage venture capital funds that target (in whole or in part) investment opportunities within Florida. The Clean Energy Investment Program was created to promote the adoption of energy efficient or renewable energy (EE/RE) products and technologies in Florida by providing funding to businesses to increase the use of EE/RE technologies, equipment and materials in the State.

“New” Florida Economic Gardening Initiative - GrowFL (FEGI)

Statewide program providing second-stage companies with free technical assistance to increase revenue, create jobs and retain businesses.

Contact: GrowFL

Phone: 407.882.0046

Email: GrowFL@gmail.com & linda@growfl.com

Web site: www.GrowFL.com

Description: Funded by the Florida Legislature to cultivate growth companies – privately-held, resident firms that employ 10-50 workers, generate \$1 million to \$25 million, and had revenue and employment growth in three of their last five years.

“New” Florida Economic Gardening Business Loan Pilot Program (BBIF)

Low interest loans for stage two companies. Funded at \$8.5 million Award amounts from \$50,000 to \$250,000

Contact: BBIF

Phone: 888.320.5504

Email: info@bbif.com

Web site: <http://www.bbif.com/egp/eligibility.html>

Description: Low interest loans administered by BBIF available to businesses with 10-50 employees in targeted industries.

Florida Growth Fund

Established in 2008 to enhance Florida’s capacity for growth and innovation. Fund has \$250 million under management.

Contact: Hamilton Lane: Florida Growth Fund Team

Phone: 954.745.2780

Email: Floridagrowthfund@hamiltonlane.com

Web site: www.floridagrowthfund.com

Description: There are two structures guiding distribute of the funds 1) Private equity fund investments 2) Directly into companies through a co-investment with another institutional investor.

BONDS: Florida Development Finance Corp (Enterprise Florida)

Offers qualifying businesses lower cost variable and fixed rate financing through Private Activity Bond issues.

Contact: Enterprise Florida

Phone: 407.956.5607

Email: jrobinson@eflorida.com

Web site: www.eflorida.com/fdfc

Description: Created by the Florida legislature and charged with assisting economic development efforts in the state through the issuance of Enterprise Bonds. Typical bond issue amounts are at least \$1,000,000 so that front-end bond finance costs are financially viable to the borrower.

Florida Community Loan Fund (FCLF)

CDFI Fund (US Treasury Dept) awarded FCLF \$45MM in tax credit allocation authority under New Markets Tax Credit (NMTC) program for Florida.

Contact: FCLF

Phone: 407.246.0846

Email: ignacio@fclf.org

Web site: www.fclf.org

Description: FCLF will expand its NMTC work by coordinating \$45 million in direct private capital to finance high-impact economic development projects, non-profit organizations providing essential social services to low-income areas, and commercial real estate with tangible benefits to low-income persons.

Small Business Administration (SBA) Loans: Florida First Capital Finance Corp (FFCFC)

FFCFC was founded by the state of Florida in 1984 to administer SBA loans in Florida. They manage **three types of loan programs**.

Contact: Florida First Capital Finance Corp

Phone: 888.320.5504

Email: info@ffcf.com

Web site: www.ffcf.com

Regional Offices: <http://www.ffcf.com/PDF/RegionalOffices.pdf>

Description:

- 1) SBA 504 loans (National availability \$7.5 billion):** Access to **low interest, long-term (up to 20 years) and fixed-rate financing with only 10% down payment** requirements for the purchase, construction or renovation of owner-occupied commercial real estate and/or the acquisition of industrial equipment or other fixed assets.
- 2) SBA 7(a) Loan Guarantee Program (National availability \$14 billion):** Funds to ensure small businesses maintain adequate access to 7(a) loans that may be used to establish a new business or to assist in the **operation, acquisition or expansion of an existing business**. SBA may guarantee up to **85% of 7(a) loans**.
- 3) Florida Recycling Loan Program (Florida \$2.5 million):** **Web site:** <http://ffcf.com/PROD-RECY-Description.html> Administered by FFCFC for DEP and provides below-market financing for companies that manufacture products from recycled materials or convert recyclable materials into raw materials for use in manufacturing. **The program offers funding for the purchase of machinery and equipment.** The potential borrower is required to have an **equity injection of 10% of the total amount of the loan.**

Small Business Administration (SBA) Micro-Loan Program

National availability \$6 million

Contact: Small Business Administration (SBA)

Web site: <http://www.sba.gov/services/financialassistance/sbaloantopics/microloans/index.html>

Description: Provides small loans to start-up, newly established, or growing small business concerns. SBA makes funds available to nonprofit community based lenders (intermediaries) which, in turn, make loans to eligible borrowers in amounts up to a maximum of \$35,000.

SBA HUBZone Program

Stimulates economic development and creates jobs in urban and rural communities by providing Federal contracting preferences to small businesses.

Contact: SBA

Phone: 202.205.8885

Email: hubzone@sba.gov

Web site: www.sba.gov/hubzone/

Description: The HUBZone program was enacted into law as part of the Small Business Reauthorization Act of 1997. The company must also maintain a "principal office" in one of these specially designated areas. The SBA regulates and implements the program, determines which businesses are eligible to receive HUBZone contracts, maintains a listing of qualified HUBZone small businesses federal agencies can use to locate vendors, and adjudicates protests of eligibility to receive HUBZone contracts.

Florida Business Contract Opportunities

Listing of state competitive opportunities for buyers, vendors and contractors.

Email: myfloridamarketplace@myflorida.com

Web site: www.myfloridamarketplace.com

Description: Register to receive notices of opportunities to do business with the State of Florida

Federal Business Contract Opportunities

Listing of Federal business opportunities for buyers, vendors and contractors.

Phone (24 hours): 1.866.606.8220

Web site: www.FBO.gov

Description: Receive notices of opportunities to do business with the Federal government.

"New" Department of Defense (DoD): Business contract Opportunities

Opportunities for engineering, scientific, entrepreneurial firms and the public to provide novel solutions to specific DoD needs posted as requests for proposals.

Contact: Strategic Analysis Inc.

Phone: 703.588.2413

Email: david.a.edwards.ctr@osd.mil

Web site: www.defensesolutions.gov

Description: Program seeks ideas to develop into novel, rapid prototypes of solutions to DoD needs (see defensesolutions.gov for current needs) from institutions and organizations that have **never done business with DoD** before. **Typical projects are about \$500,000 each and completed in less than 18 months.** Commercial-like contracting mechanism available.

"New" Research Commercialization Matching Grant Program:

The legislators passed this program in 2010 to provide matching grants to businesses who are awarded SBIR/STTR Federal Grants for **Phase "I" (up to \$150,000)** and **Phase "II" (up to \$1,000,000)**. Florida will match up to **\$50,000 for Phase "I"** and up to **\$250,000 for Phase "II"**.

Contact: Florida Institute for the Commercialization of Public Research.

Phone: 561.368.8889

Email: info@florida-institute.com

Web site: <http://www.florida-institute.com/>

Description: High-tech companies can seek federal [SBIR/STTR grants](#). The [Phase 0 Pilot Program](#) can also increase the company's chances of developing successful proposals for such funding. Phase "0" grants, of \$3,000, assists to develop proposals that three product specialists review. Phase "I" grant funds the creation of a product proof of concept. Phase 2 grant funds the creation of a prototype and commercializing the product.

"New" Phase "0" Pilot Program Grants \$3,000:

Awards businesses Phase "0" \$3,000 grants to assist with completing a proposal for a Federal contract and SBIR/STTR grant.

Contact: Enterprise Florida

Phone: 407.956.5607

Email: jrobinson@eflorida.com

Web site: <http://eflorida.com/ContentSubpage.aspx?id=872>

Description: High-tech companies can seek federal [SBIR/STTR grants](#). The Phase "0" Pilot Program can also increase the company's chances of developing successful proposals for such funding. **Phase "0" grants, of \$3,000, assists to develop proposals that three product specialists review. Federal Phase "I" (up to \$150,000) funds the creation of a product proof of concept. Phase "II" (up to \$1,000,000) funds the creation of a prototype and commercializing the product.**

International Assistance for Businesses and Economic Development Organizations:

Email: Mark.Blaschko@infoUSA.com

Web Site: <http://www.infousa.com>

Description: For a fee the company can pull a list by county for an EDO or business to target companies who export.

Economic Development Resources and Incentives:

“New” GIS Florida Prospector (Enterprise Florida)

Free online GIS database listing County assets (e.g. ports, airports, hospitals, Enterprise Zones etc..) along with listings of companies sorted by counties or MSA's in the industries of Life Sciences, Military, Logistics, Wholesale, Clean Energy etc...

Contact: Enterprise Florida

Phone: 407.956.5693

Web Site: <http://www.floridapropector.com>

Description: The database is updated yearly.

Harris Directory (Enterprise Florida)

Provides free reports of businesses (only for EDO's in Florida) sorted by name, zip code, industry type etc.. Free registration required on Enterprise Florida web site.

Contact: Enterprise Florida

Phone: 407.956.5688

Web Site: www.eflorida.com (Register on web site for access)

Description: The Harris Directory only lists businesses in Florida and is updated monthly.

“New” Local Government Distressed Area Matching Grant Program (OTTED)

\$3 million allocated by legislation to provide to the businesses a **50 % match of expenditures** by local governments used to attract and retain businesses in distressed areas.

Contact: OTTED

Email: Timothy.Proctor@eog.myflorida.com

Web site: http://www.flgov.com/financial_incentives

Description: Applications are accepted from local governments that plan on offering financial assistance to a **specific business in the area**. The targeted businesses are required to create at least **15 full-time jobs** and the project must either be **new to Florida; expanding operations in Florida; or leaving Florida** unless it receives local and state government assistance. The amount awarded by the State of Florida will **equal \$50,000 or 50% of the local government's assistance amount**, whichever is less, and will be provided following the commitment and payment of that assistance.

“New” Jobs for the Unemployed Tax Credit Program (OTTED)

Provides incentives to businesses throughout Florida to hire qualified employees who were previously unemployed.

Contact: OTTED

Email: Timothy.Proctor@eog.myflorida.com

Web site: http://www.flgov.com/financial_incentives

Description: The program is available to all businesses that are identified as a “target industry”. The business may receive a **tax credit of \$1,000 for every employee hired** as of July 1, 2010. The business may claim only new hires that were previously unemployed for a minimum of 30 days, and that remain employed after a 12-month period at an average of 36 hours per week. The program will run until **June 30, 2012** with a limit of **\$5 million available for tax credits in each fiscal year.**

“New” Manufacturing and Spaceport Investment Incentive Program (OTTED)

Encourages capital investment and job creation in manufacturing and spaceport activities in Florida.

Contact: OTTED

Email: Timothy.Proctor@eog.myflorida.com

Web site: http://www.flgov.com/financial_incentives

Description: Applications are accepted by eligible businesses from **July 1, 2010 to June 30, 2012**. A tax refund up to **\$50,000** will be given on the State Sales and Use Tax paid for eligible equipment purchases. Purchase cost must exceed a business’ total expenditures on eligible equipment purchased and placed into service in this state during the 2008 tax year.

“New” The Community Contribution Tax Credit Program (OTTED)

Encourages private sector donations to community redevelopment projects in enterprise zones and to low-income housing projects. A tax credit of 50% of the donation is allowed.

Contact: OTTED

Phone: 850.487.0467

Email: Burt.vonhoff@eog.myflorida.com

Web site: http://www.flgov.com/financial_incentives

New Markets Development Program (OTTED)

Contact: OTTED

Phone: 850.487.2568

Email: Karl.Blischke@eog.myflorida.com

Web site: http://www.flgov.com/otted_newmarkets

Description: The program encourages capital investment in low-income communities. Taxpayers earn credits by investing in qualified **Community Development Entities (CDEs)** that make investments in active low-income community businesses. A person or entity that invests in a CDE earns a vested tax credit equal to 39 percent of the purchase price of the qualified investment. Qualified CDEs may apply to OTTED to have investments approved as qualified investments for Florida New Market Tax Credits.

Enterprise Zone Program (OTTED/Enterprise Florida)

Encourages the revitalization of economically distressed areas in Florida by providing credits against Florida's sales tax or corporate income tax to businesses located in an enterprise zone for hiring zone residents.

Contact: Enterprise Florida

Phone: 850.298.6626

Web site: <http://www.floridaenterprisezones.com>

Description: Corporate income tax credits are available for businesses who construct or expand their facilities within a zone. Sales tax refunds are available when businesses purchase business equipment or building materials for use within a zone. Local governments can provide additional incentives for a zone located within their boundaries.

Brownfield Redevelopment Bonus (Enterprise Florida)

The Bonus is designed to work with QTI projects, paying a bonus of \$2,500 per job over and above the QTI award.

Contact: Enterprise Florida

Phone: 407.956.5622

Web site: www.eflorida.com/brownfields

Description: Created by the Legislature in 1997 to encourage development of abandoned, idled or underused industrial and commercial sites where expansion or development is complicated by actual or perceived environmental contamination. The Bonus Program was expanded by the Legislature in 2000 and provides a \$2,500 per job award for non-QTI projects that meet job creation and capital investment.

Economic Development Transportation Fund: Road Fund (Enterprise Florida)

Provides local governments with funding for transportation-related projects required to induce companies to locate, remain or expand within the local government's jurisdiction.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Qualified Target Industry Tax Refund Program: QTI (Enterprise Florida)

QTI provides a tax refund of \$3,000 per new job created in Florida through the expansion of existing Florida businesses or the location of new ones.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Description: Designed to encourage the creation of high-skill jobs and encourage the growth of corporate headquarters and other targeted industries. The QTI increases to \$6,000 per job within an Enterprise Zone or Rural County). A business is eligible for a \$1,000 per job bonus if it pays over 150% average wage in the area, and a \$2,000 per job bonus if over 200%. Projects must be supported by their community to the amount of 20% of the incentive.

High Impact Performance Incentive Grants: HIPI (Enterprise Florida)

Grants of \$500,000 to \$1,000,000 are provided to pre-approved business applicants in certain high-impact sectors.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Description: Once approved, the high impact business is awarded 50 percent of the eligible grant upon commencement of operations and the other half once full employment and capital investment goals are met. A negotiated incentive used to attract and grow major high impact facilities in Florida.

Capital Investment Tax Credit: CITC (Enterprise Florida)

Annual credit against the corporate income tax which is available for up to 20 years in an amount equal to 5% of the eligible capital costs generated by a qualifying project.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Used to attract and grow capital-intensive industries in Florida. Eligible capital costs include all expenses incurred in the acquisition, construction, installation and equipping of a project from the beginning of construction to the commencement of operations. Available to businesses in HIPI-designated sectors. Businesses must make an investment of at least \$100M to receive the full credit.

Qualified Defense Contractors Tax Refund Program: QDC (Enterprise Florida)

A tool to preserve and grow Florida's high technology employment base, giving Florida companies a competitive edge as defense contractors consolidate defense contracts, acquire new contracts, or convert to commercial production.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Description: Pre-approved projects receive tax refunds of up to \$5,000 per job created or saved in Florida. Projects must be supported by their community, which provides funding for 20% of the incentive.

Semiconductor, Space and Defense Sales and Use Tax Exemption (Enterprise Florida)

Used to attract and grow businesses in these sectors by providing an exemption for all sales and use taxes on investments in machinery and equipment used in manufacturing and research.

Contact: Enterprise Florida

Phone: 407.956.5633

Web site: www.eflorida.com/incentives

Quick Action Closing Fund (Enterprise Florida)

Used to attract high impact industry to Florida. Varies in funding year to year.

Contact: Enterprise Florida

Phone: 407.956.5633

Description: 2010 passed legislation that any awards from the Quick Action Closing fund below \$2 million does not need to be approved by the legislative budget commission and has a 14 day turn-around.

Florida Energy & Climate Commission

State Energy Grant Program – Florida's allocated amount: \$126 Million
